*Join us for an evening under the stars
as we celebrate the people and organizations behind
New Jersey's **Nature Accessible for All** initiative.*

We're building a movement of people and organizations committed to making parks and natural areas accessible for people with disabilities and mobility challenges. Launched in 2021 by the Pinelands Alliance, this initiative is now a statewide initiative supported by nonprofit organizations throughout the state.

The evening will feature gourmet hors d'oeuvres, cocktails, entrée stations, fine wine, and craft beer, and a dessert and coffee bar following the awards ceremony. Enjoy lively conversation and inspiration as we work together to make nature more accessible for all people!

Proceeds Benefit **Nature Accessible for All**, a collaboration of people and organizations determined to improve access to nature for people with disabilities, their families, and caregivers.

Stroker won the 2019 Tony Award for Best Featured Actress in a Musical for her role as 'Ado Annie' in Rodgers and Hammerstein's *Oklahoma!* Her mission to improve the lives of others through the arts, disabled or not, is captured in her motto: "Turning Your Limitations into Your Opportunities."
